Application for Library Standards Alliance Membership

Membership Eligibility

Membership in NISO’s Library Standards Alliance (LSA) is open to any academic, public, special, or government-supported library interested in supporting the mission of NISO:

NISO fosters the development and maintenance of standards that facilitate the creation, persistent management, and effective interchange of information so that it can be trusted for use in research and learning. To fulfill this mission, NISO engages libraries, publishers, information aggregators, and other organizations that support learning, research, and scholarship through the creation, organization, management, and curation of knowledge. NISO works with intersecting communities of interest and across the entire lifecycle of an information standard.

LSA Membership is valid upon submission of this application form—including appointment of a primary representative, webinar contact, and billing contact—and payment of the current year’s membership dues. Applications should be submitted to:

National Information Standards Organization (NISO)

You may identify as many additional representatives as you wish. Each identified individual will receive a login id to the member area of the NISO website and all of the NISO member communications, allowing them to be directly informed of NISO-related activities. Please attach additional sheets as needed including the same information provided for the primary representative.
