VERSION DATE: 7/21/2010

* DMEP = Duplicate Materials Exchange Program

**Review of resources should include:

- Uniqueness
- Value to LC/Researchers (provide justification/rationale)
- Terms of Use (acceptable / any flags?)

Issue(s):
 Review/Accept/Acquire: responsibility of RO/ER Coord/Acq. Specialist? Also determine value?

Technically feasible: For free resources this will most likely be browser versions and/or add-ons, etc.

Documents may be received in a variety of formats - not necessarily web based (e.g. PDF, flash drive). Refer to tangible media project.
